

How to set up your Edukey One Time Pass Cards:

- 1) **Log in** as normal
- 2) Go to **Account Settings** (cog/menu top right)
- 3) Look on the back of your Edukey One Time Pass Card for the **16 digit card serial number** and enter this into the security section of Account Settings and click "Confirm".

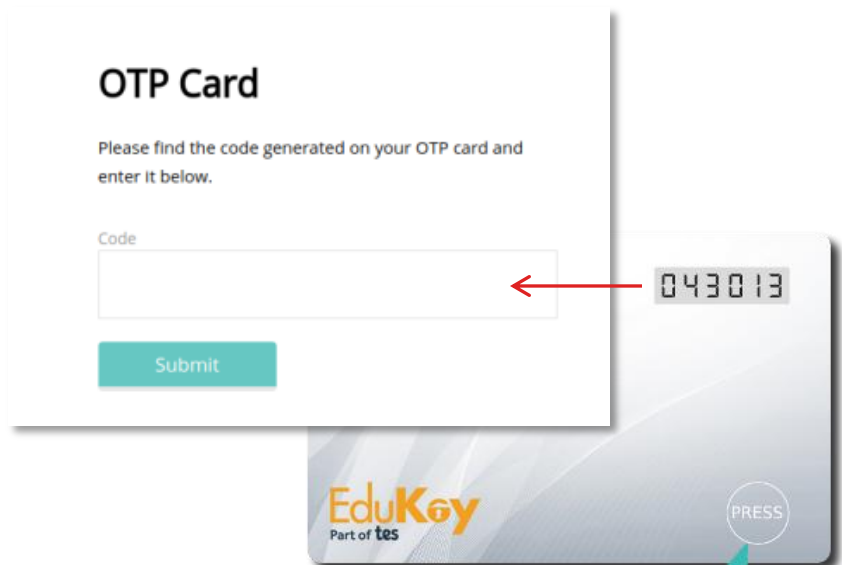

Next time you log in:

When you log into your account next you will be asked for your email and password as usual. You will then be asked for a OTP Card Code.

To get the code:

You simply press the button and a code will appear for you to enter.

Just press this button
